

2010 CHEVROLET EQUINOX

This document details key standard content, options, and visual differentiation for 2010 Equinox trim levels.

POWERTRAIN

Engine: ECOTEC® 2.4L DOHC, 16-valve, 4-cylinder VVT Direct Injection

Driveline: Standard front-wheel drive

Transmission: Six-speed automatic transmission

Horsepower: 182 hp

Fuel Economy: 22 mpg city/32 mpg hwy (EPA estimated)

Fuel Tank: 18.8-gallon fuel tank

Max. Hwy Range: 601 miles

For salesperson use only. Preproduction vehicle shown. Subject to change.

1 Head curtain side air bags are designed to help reduce the risk of head and neck injuries to front and rear seat occupants on the rear side of certain side-impact collisions. Always use safety belts and the correct child restraints for your child's age and size. Even in vehicles equipped with air bags and the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the vehicle's Owner's Manual and child safety seat instructions for more safety information.

2 Available only in the 48 contiguous United States. Required \$12.95 monthly subscription sold separately after 3 trial months. Visit gm.xmradio.com for more details.

3 Includes compass display.

4 OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Stolen Vehicle Location Assistance and Remote Door Unlock success varies with conditions. OnStar Vehicle Diagnostics available on most 2004 MY and newer GM vehicles. Diagnostic capability varies by model. Visit onstar.com or call 1-888-466-7827 for system limitations and details. For a list of vehicles with Automatic Crash Notification, visit onstar.com.

5 Does not monitor spare.

6 When (R13) Chrome Exterior Appearance Package is ordered, Charcoal with bright chrome inserts will be included.

7 Charcoal with bright chrome inserts.

8 Rearview display provided in the ISRV or in navigation radio screen when (PJC) audio system with Navigation/Infotainment or (PDB) audio system with Navigation/Infotainment and Rear Entertainment is ordered.

Go to gm.com/bluetooth to see which phones are compatible with each vehicle.
